*Recap: James 1:19-27*

*In this passage, James puts a high emphasis on listening. "Everyone should be slow to speak and quick to listen," is a reference to hearing the word of God taught and showing respect to the teacher. James places a high emphasis on listening, but cautions his hearers to not stop there. They must be "doers" of the word. To simply know what the word of God says without doing it is a ridiculous thought. Let us not deceive ourselves into thinking that simply coming to church pleases God. He wants us to be doers of the word.*
